

Hackathon 3.0

24 Hours Hackathon (www.hackathon2026.in)

Starts at: August 14th, 9.00 AM

Ends At: August 15th 9.00 AM

Price Distribution: August 15th 3.00 PM

Rule Book

1. Introduction

The 24-Hour Hackathon is designed to encourage innovation, teamwork, creativity, and problem-solving. Participants will develop innovative technology solutions within 24 continuous hours and present their prototypes to an expert jury.

The objective is to transform ideas into working prototypes that solve real-world problems.

2. Objectives

The hackathon aims to:

- Encourage innovation among students and professionals.
- Solve industry and social challenges.
- Promote teamwork.
- Learn emerging technologies.
- Build deployable solutions.
- Network with industry experts.

3. Eligibility

The hackathon is open to:

- Undergraduate Students
- Postgraduate Students
- Diploma Students

Participants must possess valid identity proof.

4. Team Formation

Each team shall consist of:

- Minimum: 2 Members
- Maximum: 4 Members

Every team must appoint one Team Leader.

Only one registration per participant is permitted.

Participants cannot belong to multiple teams.

5. Registration

Registration shall be completed through the official hackathon portal before the deadline.

Each team must submit:

- Team Name
- Team Leader Details
- Member Details
- College/Organization
- Abstract
- Problem Statement
- Technology Stack
- Prototype Idea (optional)

Incomplete registrations will not be considered.

6. Hackathon Timeline

Before Event

- Registration
- Abstract Submission
- Preliminary Screening
- Top Team Announcement

7. Problem Statements or Goals

Teams may select from:

- **SDG 1** – No Poverty
- **SDG 2** – Zero Hunger
- **SDG 3** – Good Health & Well-Being
- **SDG 4** – Quality Education
- **SDG 5** – Gender Equality
- **SDG 6** – Clean Water & Sanitation
- **SDG 7** – Affordable & Clean Energy
- **SDG 8** – Decent Work & Economic Growth
- **SDG 9** – Industry, Innovation & Infrastructure
- **SDG 10** – Reduced Inequalities
- **SDG 11** – Sustainable Cities & Communities
- **SDG 12** – Responsible Consumption & Production
- **SDG 13** – Climate Action
- **SDG 14** – Life Below Water
- **SDG 15** – Life on Land
- **SDG 16** – Peace, Justice & Strong Institutions
- **SDG 17** – Partnerships for the Goals

8. Development Rules

Participants may use:

- Open Source Libraries
- Public APIs
- Cloud Services
- Existing Frameworks

However,

Teams shall NOT:

- Submit previously completed projects.
- Copy another team's work.
- Purchase ready-made solutions.
- Use paid code templates without disclosure.
- Use copyrighted materials without permission.

AI Usage Policy

Participants may use AI tools such as:

- ChatGPT
- GitHub Copilot
- Gemini
- Claude
- Microsoft Copilot

However,

Participants must:

- Understand the generated code.
- Disclose significant AI-generated content if requested.
- Ensure originality of the final solution.

Teams remain fully responsible for their submission.

10. Coding Requirements

The solution must include:

- Source Code
- Documentation
- Installation Guide
- README File
- Architecture Diagram

Preferred:

- Git Repository
- Live Demo
- Cloud Deployment

11. Mandatory Deliverables

Each team must submit:

- Presentation (PPT)
- Source Code
- Executable Prototype
- Demo Video (Optional)
- Documentation
- Architecture Diagram
- Database Script (if applicable)

Late submissions are not allowed.

12. Intellectual Property

The intellectual property of the developed solution remains with the participating team unless otherwise specified by the organizer or sponsor.

Organizers reserve the right to showcase submitted projects for educational and promotional purposes while acknowledging the participating teams.

13. Code of Conduct

Participants must:

- Respect fellow participants.
- Respect jury members.
- Maintain professional behavior.
- Avoid offensive language.
- Avoid discrimination.
- Maintain a collaborative environment.

Harassment of any form will result in immediate disqualification.

14. Attendance Rules

All members should remain available during the hackathon.

At least one member must be present with the project at all times.

Identity verification may be conducted.

15. Internet Usage

Internet access is permitted.

However, participants shall not:

- Attack other systems
- Perform hacking activities
- Download unauthorized software
- Attempt to interfere with event infrastructure

Violation will lead to disqualification.

16. Hardware Policy

Participants may bring:

- Laptop
- Keyboard
- Mouse
- Development Boards
- Sensors
- IoT Devices

Organizers may provide:

- Wi-Fi
- Power Supply
- Tables
- Chairs

Teams are responsible for the safety of their equipment.

17. Judging Criteria

Criteria	Weightage
Innovation	20%
Problem Relevance	20%
Technical & Live server Deployment	20%
Prototype Functionality	20%
Business Potential & Scalability	15%
Presentation & Demo	5%
Total	100%

18. Evaluation Rounds

Round 1

Abstract Evaluation

Round 2

Prototype Development Review

Round 3

Final Demonstration

Round 4

Question & Answer Session

19. Presentation Guidelines

Each team receives:

- 3 - 5 Minutes Presentation
- 4 - 5 Minutes Live Demo
- 3 - 5 Minutes Jury Questions

Total Time: **10 - 15 Minutes**

20. Submission Format

Required:

- PPT (PDF Preferred)
- GitHub Repository Link
- ZIP Source Code
- README
- Demo Video (Optional)
- Deployment URL (Relevant to the project)

21. Plagiarism Policy

Projects will undergo plagiarism checks.

The following are prohibited:

- Copying source code
- Reusing previous hackathon projects without disclosure
- Purchasing completed projects
- Submitting another team's work

Any confirmed plagiarism will result in immediate disqualification.

22. Disqualification Conditions

Teams may be disqualified for:

- Cheating
- Misconduct
- Fake participant information
- Proxy participation
- Copyright violations
- Offensive behavior
- Late submissions (where specified)
- Failure to present

The organizing committee's decision is final.

23. Safety & Venue Guidelines

Participants should:

- Wear ID cards at all times.
- Keep the workspace clean.
- Follow emergency procedures.
- Report hazards immediately.
- Use electrical equipment responsibly.

24. Food & Accommodation

Organizers may provide:

- Meals
- Tea/Coffee
- Drinking Water
- Rest Area
- Medical Assistance
- Overnight Access

Participants should bring personal essentials if staying overnight.

25. Awards

Typical award categories include:

- Overall Champion
- First Runner-up
- Second Runner-up
- Best AI Solution
- Best Social Impact
- Best Sustainability Project
- Best UI/UX
- Best Innovation
- Best Women-led Team
- People's Choice Award

E-Certificates will be issued to all eligible participants.

26. Organizer Rights

The organizing committee reserves the right to:

- Modify schedules
- Update rules
- Change judging panels
- Merge categories
- Cancel categories with insufficient participation

Any changes will be communicated officially.

27. Acceptance

By participating, every participant agrees to abide by this rule book and accepts all decisions made by the organizing committee and jury.

28. Contact

Hackathon Organizing Committee

- Official Website
- Email Support
- Help Desk
- Technical Support
- Emergency Contact

For any clarification, participants should contact the organizing committee before the event.
